

AYUSH MISHRA

Backend Developer

Delhi, India | +91 9131893113 | ayushmishraofficial2711@gmail.com | LinkedIn | GitHub

EDUCATION

Manav Rachna University <i>B.Tech In CSE(Cloud, DevOps & Full-Stack)</i>	<i>Jan 2026 - Present</i> <i>CGPA 8.61</i>
Maharaja Aggarsain Adarsh Public School <i>Senior Secondary (12th Std)</i>	<i>Jan 2021 - Dec 2021</i> <i>Score 88.3%</i>
Sri Prakash Vidyaniketan <i>Secondary (10th Std)</i>	<i>Jan 2020 - Dec 2020</i> <i>Score 89.2%</i>

EXPERIENCE

Intern - Software Development Elevar Digital Infrastructure Pvt. Ltd.	<i>Jun 2025 - Jul 2025</i>
- Designed and implemented a role-based access control (RBAC) system with session-based authentication, separating Admin and Employee permission layers across the portal. - Architected the MySQL schema for employee records, departments, soft deletion, and profile management; wrote stored procedures and handled relational integrity constraints. - Built an admin dashboard with real-time CRUD reflection — employee additions, updates, and deletions triggered immediate UI updates via AJAX + jQuery with paginated tabular views. - Developed REST-style CRUD APIs in PHP for employee and department management; integrated document upload/download functionality with server-side validation.	

SKILLS

Java, JavaScript, PHP, Bash, SQL, HTML/CSS, React.js, Node.js, Express.js, jQuery, Tailwind CSS, MySQL, MongoDB, MariaDB, Docker, Jenkins, Git, Linux, REST APIs, RBAC, AJAX, OOP, CI/CD, Agile, Version Control, DBMS, OS

PROJECTS

University Project Management Portal (MongoDB · Express.js · React · Tailwind · Jenkins)
- Co-built a full-stack portal for managing university project submissions and faculty-student data flows; handled backend API design with Express.js and MongoDB schema. - Implemented data cleansing and extraction pipelines; configured Jenkins for CI/CD deployment testing.
Employee Management Portal (XAMPP · PHP · AJAX · MySQL)
Built an admin-facing employee management system with CRUD operations, dynamic interactions via AJAX, and a PHP/MySQL backend—served as the foundation for the Elevar internship work.

ACHIEVEMENTS

Awarded German AI Level certification by Manav Rachna Centre of Foreign Languages (MRCFL)

Letter of Appreciation, Dr. O.P. Bhalla Foundation — contributed as editorial member across 3 magazine editions and 1 newsletter

CERTIFICATIONS

JavaScript Essentials-I CISCO	<i>Aug 2023 - Dec 2023</i>
Certification course on Data Structures and Algorithms in Java CodingNinjas	<i>Jun 2024 - Jun 2025</i>
